HERE'S WHATS HAPPENING AT WOODS

OPEN ENROLLMENT

If your child is on a transfer to Woods Elementary, please make sure you have their "Open Enrollment" application turned in to Regina at the Woods office, ASAP. The deadline is 11/1/2017. If you do not have a form, you may pick one up from the office.

Thank you....

Dear Woods Volunteers

Thank you for helping at Woods Elementary as a parent volunteer in the classroom(s). A new California Law requires all volunteers to pass a TB Assessment or TB skin test. It states, Persons volunteering with frequent or prolonged contact with pupils (California Education Code, Section 49406 and California Health and Safety Code, Section 121545) require a TB risk assessment be administered, if risk factors are identified, a TB test and examination will be performed by a health care provider to determine that the person is free of infectious tuberculosis.

You may have completed a Volunteer Application previously, but we need you to complete a TB Assessment or show proof of passing a TB skin test. You only need to do this one time and it will be good for 4 years. You can come and meet with our school Nurse on the following dates or you may also go to your own physician for the TB assessment or TB test. TB Assessment forms must be filled out in front of a Nurse or Physician. Please do not fill out the form until you meet with the Nurse at Woods. Forms will be available at the school office.

Here are the following walk in times at Woods Elementary to complete your TB Assessment. You can come in any time during the following hours:

Monday, 10/9 8:30am-4:00pm
Friday, 10/13 8:30am-11:00am
Monday, 10/16 8:30am-3:30pm

Appointments should only take a few minutes. We are trying to complete this process by 10/17/17. If volunteers fail to provide TB clearance, they will not be able to volunteer after this date. Thank you for your help in meeting this new requirement. If you have any question, please feel free to call Woods office.

GATE NEWS!!!!

If you have a student in 4th – 6th grade at Woods and would like to have them tested for GATE, please contact Sarah Kalashian at: sarahkalashian@cusd.com

Thank You
