

# TIME TO CHEER!

The Woods Wolverine Cheer Program is looking forward to cheering on our fellow Wolverines throughout the 2023-2024 school year! We'd like to extend an invitation to all students entering grades 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> to join our cheer program this coming school year. Those interested in participating in cheer must complete an online application through permission click. The link is shown below and can also be found on the Woods website.

The cheer program consists of two squads that represent the Wolverines. The Woods Game Squad cheers at home games, participates in rallies, and performs at a few special events during the school year. The Woods Competition Squad also participates in these activities but will also perform at additional competitive events during cheer season, between January and March. Next year, game squad practices will be held on Wednesdays from 3:00-4:00 P.M. in the Woods MPR. Competition squad practice will be held on Tuesdays and Thursdays from 4:00-5:30 P.M. in the Woods MPR. Regular attendance is required throughout the school year at all cheer practices.

Cheer applications must be completed and submitted by next Friday, April 28<sup>th</sup>. Cheer clinics will take place on Monday, May 1<sup>st</sup> and Tuesday, May 2<sup>nd</sup> in the Woods MPR from 4:00-5:00 P.M. Cheer try outs will be held on Thursday, May 4<sup>th</sup> in the Woods MPR beginning at 4:00 P.M. All applicants must attend clinics, and try outs are encouraged for all but are not a requirement for game squad participation. Participants should come to clinics dressed in shorts, a t-shirt, tennis shoes, and hair should be pulled up and away from the face. Participants may want to bring water to drink. Additional information about the try-out process and dates for uniform fittings will be sent home during clinics. We look forward to seeing some Big Blue Cheer Energy on May 1<sup>st</sup>!
