**Clovis Unified School District provides an annual student satisfaction survey for students to take in 4th – 11th grade. The survey asks questions to gain understanding of student experiences and perceptions of the school environment. This survey is for informational purposes only and will help the district improve programs and services to students. All responses will remain anonymous. If you would like to view the Survey Questions, they are posted on the CUSD Website. Students will take the online survey during the survey window of January 8th – January 23rd. Teachers will assist students in taking the 10-15 minute online survey during the school day. If you have any questions, please call our front office at 327-8800. Thank you.
