Due to a new fee imposed by Verizon, Remind can no longer continue providing free text notifications for devices on the Verizon Wireless network. As a result, Verizon Wireless customers who use the free Remind service will not be able to receive or send text messages as of 1/28/19. Woods Elementary School will no longer be using their Remind Account. However, classroom teachers and coaches at Woods Elementary may continue to use Remind for communication. Outlined below, is a way to continue using Remind....both of the following options are free of charge.

****On your phone:** Turn on smartphone notifications (Recommended)

Download the free Remind app on the iOS App Store, on Google Play, or at rmd.me/a. If you don't already have a Remind account, create one using the phone number where you receive Remind texts. Make sure to enable push notifications from Remind on your phone.

****On your computer:** Turn on email notifications to Remind.com on any computer. As above, if you don't already have a Remind account, create one using the phone number where you receive Remind texts. Turn on email notifications for your account so you don't miss any messages.
