Many of our students are involved in more than one sport during the year. We are attempting to make the process more efficient and you will only need to fill out sports packet information one time this year. If you have not already completed the sports packet information for the 2018-2019 school year and have a child interested in spring sports, we have made forms accessible on our school website or through the following link:

<https://permission.click/V8ML#/information>

You may review all forms on the link. THERE IS NO NEED TO PRINT AND SIGN THESE FORMS. The last page will ask you to "agree" and electronically submit all the forms you have completed at once to the school. Please note that your acceptance of the forms are required for student participation in Woods Athletics. If you have further questions or would like a printed copy of the sports packet, please contact the office at 327-8800 or have your child pick up a packet in the front office.

Stay up to date on all great things happening in the Woods by downloading the Clovis Unified App or visiting our school website and Facebook page.
