Important Reminders

**Please, be aware of handicap stalls in the parking lot. We would like to remind our Woods families to not block handicap stalls, but keep a considerate distance that would allow our families requiring these spaces easy access.

**Please, do not drive golf carts or vehicles on school grounds. Please, keep all vehicles in the parking lot.

**Students may arrive on campus at 8:05am each day. Adult supervision for students will begin at 8:05am. Thank you for keeping our students safe.

**To help with the process of returning lost items to students, please label clothing, lunch pails, backpacks, etc. with your child's name.

**This year Miss Hart's class will be helping Woods out with our Lost and Found. If your child has lost an item at school, there are two ways you can check the Lost and Found:

1. You or your student can stop by Room 6 before and after school to check for/claim items.
2. Visit www.woodslostandfound.com and browse through the photos. Follow the instructions on the "Claim your items" tab and a student from Room 6 will deliver the item back to its owner during the school day.

Thank You!

VOLUNTEERS

If you would like to volunteer in the classroom, you will need to fill out a:

- **Attach a copy of your driver's license.
- **Submit a current TB Skin test or TB Risk Assessment.

2018 TB Risk Assessment Clinics will be held on the first Tuesday of the month at the District Office - East, from 2:00pm-5:00pm.

DI Information

DI is a project based learning experience that applies the creative process across seven challenge areas technology, science, engineering, fine arts, improvisation, and service learning. Students gain the 21st century skills needed to thrive in school, careers and beyond, including creative and critical thinking, collaboration and project management. Teams have the opportunity to showcase their innovative challenge solutions at Regional and State competition and a spot at Global Finals. If you are interested, please pick up a packet from Mrs. Brown in Rm 19.
